

Village Board Work Session
May 16, 2011
7:00 p.m.

Members present: Mayor Roddey, Trustees Mattheus, Smith, and Stewart

Absent: Trustee Char

Also present: Village Clerk Strobl

Municipal Solid Waste Management proposal from TBE-Montgomery, LLC

James Rollins, of Taylor Biomass Energy (Taylor Recycling Facility), Montgomery NY, was present to discuss the recent proposal for managing municipal solid waste.

Mr. Rollins explained the technology that the new facility will be using, which will recycle approximately 97% of the debris into reusable matter. Construction of the Biomass gasification facility is expected to be complete by December of 2012.

The Board asked questions about the process and the proposal.

Mayor Roddey discussed three written communications which he recently delivered to the Town in an effort to provide a significant financial benefit to Town sewer users. Although no written communication has been received from the Town, Supervisor Bloomfield has made it clear that they wish to continue with arbitration.

On a motion by Trustee Stewart, seconded by Trustee Mattheus, the Board entered into Executive Session at 7:45 p.m. to discuss litigation with the Town.

Char	absent
Mattheus	aye
Smith	aye
Stewart	aye

On a motion by Trustee Smith, seconded by Trustee Stewart, the Board concluded the Executive Session and the Work Session at 8:05 p.m.

Char	absent
