

Village Board Work Session
November 5, 2012
7:00 p.m.

Members present: Mayor Roddey, Trustees Brady, Char, Smith, and Stewart

Also present: Village Clerk Strobl

Mayor Roddey noted that the agenda for the Work Session was a discussion of the proposed Local Law amending Chapter 10 of the Code of the Village of Goshen by the addition of an article entitled: Property Maintenance. A Public Hearing was held September 10, 2012, with no action taken. Mayor Roddey asked Board Members to provide specifics on which areas of the Law to change.

Members discussed different aspects of the law, and the differences between the safety issue of snow and/or ice on sidewalks and the visual issue of overgrown lawns.

Mayor Roddey will contact the Building Inspector with questions raised by the Board, and will also seek feedback from the Town of Chester, which adopted a similar law.

The Work Session concluded at 7:30 p.m.
